If anyone has anything they would like featured on the **ABC 666** breakfast show this month (28th) please start thinking about it now and let me know over the next 2 weeks – all suggestions greatly appreciated!!!

Welcome back this week to **Drive In Orchards**, it seems the cherry season is in full swing now, enjoy your season with CRFM, and sadly leaving us for the summer is Ian from **Alpine Nuts**, enjoy your first Saturday sleep in!

That's all from me, have a good one – Adrienne ☺

New outside area update...

The picnic tables are already in place, we have 4 stalls ready to set up and start trading so if anyone else is interested in re-locating to this new area please let me know, and yes it is expected to continue through winter!!

New Parking arrangements...

For the large trucks takes effect from today!! A member of the compliance team will be on site from 4.00 am to remind you in case you forget!!

Reminder...

No Friday afternoon/evening setup on **4th December** due to the Snowy Hydro Southcare Gala Ball.

For those of you who normally leave equipment secured in the shed during the week (Mick and Joe) this will need to be removed at the end of the market on 28 November, also any banners any of you may have hanging up will also need to be taken down. You can of course bring it all back on 5th December and continue to leave it as before; thank you for your assistance ☺

Opportunities to be involved...

Chris Kimball, CEO of Snowy Hydro Southcare will be visiting the market this week and will be happy to answer any queries/concerns regarding the upcoming Gala Ball.

If you wish to be involved in some way this is the last opportunity to let me know. I will forward your details to the function organiser on Monday 19 November who will then contact you for follow up.

The event plans to showcase local produce and in particular the menu will be a "Paddock to Plate" style for an expected 400 guests.

There are 3 opportunities for involvement and they are:

Trade Stands at the event

Provision of produce for menu

Assistance with products for corporate gifts

I should also point out that **IN NO WAY** should you feel obligated to participate, it is entirely up to you as individuals, and there are certainly no expectations from the organisers. It is however, an amazing opportunity to showcase your product and should you participate, whether it be as a Trade stand or provider of Menu produce, your name and product will receive some fantastic free publicity!!

EFT Payment Reminder....

Thanks to all those who are diligently and regularly paying stall fees by EFT but please make sure you process your payment so that it arrives in the Rotary bank account by **COB on the Thursday prior to market day.**
