

Farmers Market

CAPITAL REGION

A community project of The Rotary Club of Hall 

19 March 2016 - Proudly Authentic

Manager's moment...

Good morning everyone and welcome to market day!!

Last market today before the Easter break, I hope you and your families all have a safe and happy holiday and take it easy on the chocolate.....remember it goes straight from the lips down to the hips!!

Stallholder update: Welcome back today **Lisa & Rowly - The Muesli Bar** who have been trekking around Nepal, and also joining us today **Vince - Moorlands Lamb**.

One of you suggested to me last week that someone should sell water, just so you all know, bottles of water are available at the **Rotary Information** desk for \$1 and they are cold!!

EPIC have spent rather a lot of money during the last 2 weeks replacing some of the steel uprights in the shed. Several were dented and bent which apparently makes them unsafe. You may or may not have noticed already as they are shiny and new with a new concrete pad at the base - please take care when entering and leaving the shed with your trucks/trailers, if they get dented in future, the cost of repair will be passed on to CRFM, unless the damage occurs during another event of course. On these occasions I will be checking all the posts before vacating the shed to Summernats, RNCAS and the Folk Festival. They will also be checked each week before and after the market - thanks for your care and cooperation....

That's it from me, have a good one - Adrienne ☺

More Winners more Grinners...

Greg & Christine Stuart - Minto Galloways entered two breed of cattle in The Royal Canberra Show, Galloway and Belted Galloway for which they were awarded Supreme Exhibit for both, the light blue ribbons will be on display when they return. This week they are at The Royal Sydney Easter Show and are hoping for more success, we wish them luck!

CRFM TV Advertising...

Just to let you all know that our TV ad has now been switched to **Win TV** for the next 3 months; we don't have as many spots as we did with Prime but they are in more prominent times/programs such as; The Today Show, Farmer Wants a Wife and The Block once it starts again, apparently this is the most popular and also the most viewed show on TV with very high ratings. I've seen the ad a few times already during the Breakfast Show!!

CRFM @ Base Open Day...

The Snowy Hydro SouthCare Base Open Day is being held tomorrow **Sunday 20th of March from 10:00am-3:00pm** at the helicopter base in Hume.

Members of the CRFM committee along with myself and other folks from the Rotary Club will be taking the Rotary stand along to promote the Capital Region Farmers Market to those who live on the South side of Canberra (in case they haven't heard about us!) We will be handing out flyers, selling cook books, bags and gift cards. I will also come round today and collect some fresh produce to cut up for sampling so if you would like to donate to this please let me know and thank you in advance for your generosity.

Fire Extinguishers & Blankets...

A timely reminder with winter just around the corner.... All heater appliances must have heat guards and caution signs - or be located well out of the reach of customers. Where gas appliances are used, stallholders are to provide their own firefighting equipment which, as a minimum, should comprise a powder ABE 2 kg fire extinguisher and fire blanket. You should also ensure all cables and power boards are checked and tagged.
