### Manager's moment...

Good morning everyone and welcome to market day!! 

We had a wonderful week of sunny days here in the Capital, I hope you all enjoyed some sun too wherever you live.

Next week we have our spot on ABC 666 breakfast show, if you have anything to showcase, send me the details/information.

Today sees the start of our regular feature to the newsletter; first and foremost, for some fun, but also to help us get to know each other better, particularly for the newer stallholders, and also for the Rotarians who attend the market each week on their rostered basis. Thank you to everyone who helped and sent through some ideas/suggestions – No-One!!

To start the ball rolling, I'll put my money where my mouth is and get us started, so, for the first "60 seconds with" here goes...

#### How long have you been attending the market?

9 years as a Rotarian/committee member and 15 months as the Manager

#### Why did you choose your career?

I chose this role because, after many years in the corporate environment, I wanted to contribute to a not-for profit organisation and make a difference whilst working instead of just increasing some-one's profit margin

#### Favourite food? Italian

#### What or who are you most proud of?

My 2 children & 4 grandchildren

#### If you won the lottery, what would you do?

Make sure my family all had a "paid in full" home, and then complete my wish list of travel destinations

#### Who do you most admire?

Anyone who does the hard yards, or whatever is required to chase their dream and doesn't take NO for an answer...

#### Favourite music? Anything that makes me feel happy and alive

#### Bad habits? None, I'm perfect of course!!!

Be sure to tune in again and find out who the next victim is.....

I think that covers me for this week, have a good one ☺

#### Stallholder update: Missing in action this week is:

**David – Cool Climate Produce.** Returning today we have **Joy – Naturally Grown Potatoes**, and also for their monthly visit we have: **Ros – Tawarri Grove Olive Oil**, **Vince – Moorlands Lamb** and **Phil – Claron Park.**

### EFT Payments...

Just a quick reminder that your EFT payment should be received into our bank by COB on the Thursday prior to market day; I know you're all busy people but payment is important – we don't enjoy chasing you for money. Tie a knot in something to remind you!! Thank you for your assistance. ☺

### More Winners...

**Vince – Moorlands Lamb** was a state (NSW) winner in the delicious. Produce Awards for the "from the paddock" category showcasing his biodynamic lamb.

**Gary & Michele – Shoalhaven Mushrooms** were awarded the following at the Hobart Fine Food Awards:

Gold – Whites, Gold – Swiss Browns, Gold – White Flats and Gold – Portabellas

**Ken & Ada – Boosey Creek Cheese** were awarded the following at the Melbourne Fine Food Awards:

Gold- Oma's favourite, Silver – Warby Red, Silver – Burramine Blue cheese, Silver – Boosey Blue, Bronze – Boosey Soft and Bronze - Opa's choice.

**Fantastic results and huge congratulations from CRFM.**

### Are your details current?

Your CRFM webpage is the window to your business here at the market; it's crucial for you to advise me of any change/s to your details. Have you upgraded or added product? Taken new and more up to date photos? Email your text/photos and I'll make the changes for you; photos should not exceed 1MB in size please. Award winners, you should add your medal logo to your website. Please take the time to check and verify the information displayed on your page and in particular your email address and phone numbers. You wouldn't want to miss out on opportunities because your information is out of date; Keep it current and fresh!

### Emergency Evacuation...

You will see these signs up around the shed both inside and on the outside entry point. In the event of having to evacuate the site during a market the nominated assembly area for everyone is: **ACTON ARENA**, this is the grass area between us and the German Shepard clubhouse (stallholder Xmas party venue). If you are not familiar with where that is, please ask me so I can explain.
