Manager's moment...

Good morning everyone and welcome to market day!! 

Two days away from Halloween; get the pumpkins hollowed out and the treats ready, you never know who might come knocking on your door...

Twilight Market: Please remember to email or text your intentions – **Thursday 22 December 3.00 - 7.00pm.**

If anyone is looking for some help on Saturday mornings, I have been approached by a student from UNSW wanting some work; contact details are: **Mayuri – 0404 137 649** (female I think).

Snowy Hydro Southcare will be holding their annual gala dinner on Friday 2 December in the market shed – there will be NO access for stallholders until 3.30am on the Saturday morning, any items normally left/stored in the shed will need to be removed. Anyone interested in being involved in any way should contact Simon Cosier on 02 6205 5236 or by email scosier@snowyhydrosouthcare.com.au

Stallholder update: Back from holidays: **Sebastian – Gum Tree Pies** and **Paul – Tall Paul Oysters**. Absent this week: **Alex - Bellerophon Cold Brew** and **Joelle – La Truffiere**; joining us for another season, **Pa La Mon**; also back today after a short break – **Diana & David - Dissegna Produce**.

That's it from me, have a good one 😊

Tagging & Testing...

It has been 3 months since our last round of testing and tagging all electrical appliances and leads; during that time, some of you may have tags that have expired. **George Andonaras** will be on-site for the next few weeks should you need assistance with testing. He can be contacted on: **0418 274 897**. Please remember that failure to be compliant could result in suspension from trading until requirements are met.

I was born into it! I have been working on boats since I was 6 years old; I love fishing, the ocean and working with my family.

Favourite food? Sushi (what else??)

What or who are you most proud of?

My family and how well we work together

If you won the lottery, what would you do?

Put it towards paying for the new boat

Who do you most admire?

My Mum because I drag her to the market most weeks and she puts up with me when I'm cranky!!

Favourite music? Country

Bad habits? Talking like a fisherman....

Can you help?

Caroline Rumph (Ando Organics) is a student at Lumen Christi Catholic College, and has been successful in gaining a scholarship to take part in a Philippine Immersion trip; she will spend 2 weeks living and working with the Franciscan Sisters of St Anthony in Pontevedra (what a great experience!). Before departing they are trying to raise funds to assist the nuns at St Anthony's with some of the costs associated with their visit, and also to help the poor and under privileged people in the area.

Caroline is hoping to make up a CRFM gift basket as one of the raffle prizes; if you are able/willing to donate (non-perishable items of course) please contact her on 0459 196 511 or email: caroline.rumph@gmail.com

Raffle tickets can be purchased at the market; they are \$2 each or 3 for \$5 and Caroline will be coming around selling them for the next couple of weeks, she can also tell you what the other prizes are. The raffle will be drawn on 2 December.
