## 18 November 2017 - Proudly Authentic

Hi Everyone,  
Welcome to market day at CRFM. The silly season is nearing and things are getting busy at CRFM. It has been difficult to allocate permanent sites and some stallholders have been moved around. I would like to thank those for understanding and being flexible. As soon as a site becomes available, on a permanent basis, I will let you know.

### WELCOME...BILTONG COMPANY.

The Biltong Co. is a Canberra family business. Peter and Karen Curtis immigrated to Australia in 2006 and settled in Canberra which they now call home. In South Africa Peter was involved with a butcher and learnt the old traditional way to make authentic South African delicacies including biltong and dry sausages. Karen and Peter decided to continue with this in Australia and for the past few years, have been producing and selling their various products. They have a firm commitment to sourcing and producing local product.

Some of you popped by and introduced yourselves to Peter and Karen last week. Thank you!

### SOME HOUSE KEEPING

**Insurance and ACT Health Permits.** Sorry folks, I will no longer accept text photos of your insurance policy or ACT Health Permit. I am finding that most photos sent to me are either blurred or missing important information. Please scan your documents or email the attachment from your insurance provider/ACT Health or photocopy your hardcopy and bring to the markets. I've spent too much time chasing missing bits of information.

**Late payments and no payments.** There is no reason for you to forget to pay your stall fee. If you remember to come to CRFM, you can remember to pay CRFM. It goes hand in hand.

Any stallholders who forget to pay will be asked to pay a fortnight in advance effective immediately. I also urge you to ensure that your EFT is scheduled for early on in the week to ensure that your funds are in CRFM account by Friday - the latest.

*This is a pre-paid event.  
No further warnings will be issued.*

Thank you for your understanding and co-operation.
