

9 December 2017 - Proudly Authentic

Hi Everyone,

Hope you all had a good week and welcome to another market. Thank you to all the stallholders that set up outside last week and traded through the bad weather. I know it's not easy, especially when there are strong winds.

This weekend is looking much better. Lots of sunshine hopefully!!

Thankyou to those people who contributed to the cooking demonstration. It was a rainy Saturday, but the produce was fantastic! Contributors were:

Cherries - **Drive in Orchards & Ellamata Orchards**; Rye sourdough - **Australian Bushbreads**; Lemons & orange - **the lovely citrus guys on the end**; Chocolate - **Jasper & Myrtle**; Mushrooms - **Majestic Mushrooms** and **Holbrook Eggs**.

23rd December - Bump-in Details

Please let your customers know about the changes to entry and trading hours for the 23rd December:

- Bump-in will commence at **2.30am for our bigger stallholders**, those that stay overnight on the Friday and those that take several hours to set up.
- All the **other stallholders can bump-in from 4am** onwards. If you arrive before 4am you will be asked to wait until it is clear for you to enter the site. The bigger stallholders use forklifts to unload pallets and equipment from their trucks. So, safety first.
- **Stallholders and general public entrance will only be via Old Well Station Rd Gates and Gate 7 (Gate 7 is by the toilet block at the carpark)**
- We ask that everyone is **ready to trade by 6.30am** as gates will open to the general public at 6.30am.
- All vehicles are to be **parked on the grass area behind the shed.**
- **CRFM gates will open to the general public at 6.30am sharp.**
- All stallholders are to **cease trading at 11am.**

We are required to hand the site back to Summernats by 1pm and it is essential that stallholders leave their sites free from any rubbish.

SOME HOUSE KEEPING

Last week some stallholders kept adding more and more rubbish to the overflowing wheelie bins. I did contemplate going through all the garbage bags to see who they belonged to, but I'd been up since 1.30am and didn't have the energy. Instead,

I walked over to the empty wheelie bins in which I disposed the overflowing rubbish. If you had looked 50 meters behind you, there were 6 wheelie bins that could have been used.

Also, there is a skip for cardboard boxes. **Do not dispose of card box boxes in the wheelie bins.**

We have organic waste bins too; please use them. I know it's a long day and you want to get home, but please do the right thing.

An important reminder

Intimidating your fellow stallholder or anyone else, is not acceptable and will not be tolerated. We are all here to promote and sell our products and should support each other as much as possible. If you have a particular issue with a fellow stallholder and it cannot be resolved, I ask that you come and see me.

While we are on the subject, let me be very clear on this, I will not be pressured into giving any stallholder a particular site. I do my best to allocate sites and work with you to get the best outcome but we do have limitations and many stallholders want the same sites. Attempting intimidation to get me to allocate a better site, at the cost of another stallholder, will not be tolerated.
