### Act Food Business Registration

Please make sure that your ACT Health Food Business Registration is publicly displayed at all times.

### Market Rules...just to recap some points.

**#43.** Stalls must predominantly display their trading name and product pricing at all times.

The price and description of all produce/products must also be displayed using either the approved (with Market logo) **Green 'Market Producer'**, or **Orange 'Agency'** and/or **Purple 'Organic/Bio-dynamic'** sourced product signs. Signage templates and prefabricated signs are available from the Market Manager on request.

### Market Philosophy

To maintain Market authenticity, neither produce nor products obtained from wholesalers, retailers nor other unauthorised persons may be offered, traded or exchanged on Market premises. It is critical to the market's authenticity that this Rule applies *at all times*, noting that deliberate breaches of this Rule will incur the severest penalty of being immediately and permanently expelled from the Market.
