Howdy all....

This weekend is a long weekend in the ACT; Family and Community Day. The following week we have another long weekend; Labour Day. The school holidays have also started and it is warming up...

We can expect a low of 7 and a high of 26. Partly cloudy. Slight (20%) chance of a shower. Light winds in the morning.

Fairwell Inglebrae Meats

This will be Ian and Leslie's final market. They have been stallholders since 2008 and after much thought, they have decided to retire from the market life.

A message from Ian and Leslie

"We are retiring from the market today and would like to thank all our loyal customers for their patronage over the last few years.

A big thank you to our fellow stallholders for your friendship and the many laughs we have shared.

A big thank you to Greg and Kerrie, our loyal workers. We couldn't have done it without them.

Good health and good wishes to you all."

Inglebrae Meats***

From all of us at Capital Region Farmers Market, thank you for your support over the last 9.5 years. We wish you both all the best and good health.

Please don't be strangers and make sure you visit us. You will always have your market family and friends close by.

Some House Keeping

- A reminder that the Malaysian film crew will be here this Saturday.
- We have new extra seating in the grassed area.
- Please let me know if any of your contact details have changed so I can update the website and app.
- All specials to be sent through to me as soon as you have one. The sooner the better...more air time!
- Due to school holidays and the long weekend, there are a few stallholders away. If your neighbour is absent and you have confirmed with me that they aren't coming, please spread out, neatly, into that vacant site.
- If you are looking for staff and someone that is local, please come and see me, I have someone looking for weekend work

App and Stats

The feedback regarding last weeks specials was positive. What we need to remember is that this needs to be constant, not a one off. We need our customers to know that every week there will be good mix of specials. All you need to do is send through the photo of your product and offer. As mentioned several times, let me know if you need a hand and I am happy to help. That is what I am here for.

There were:

- **898** - app views in the last **7 days** (last week was 680)
- **25** - app downloads in the last **7 days** (last week was 15)
- **80** - active app users in the last **7 days** (last week 61)
- **1978** - active app users since the **life of the app**
- **47900** - app page views since the **life of the app**.

The three most visited app pages this week were:

- Weekly specials - **87**
- Stallholders page - **72**
- Stallholders away this weekend - **63**
