9 September 2017 - Proudly Authentic

Hello everyone....I'm sounding more and more like a weatherman..
Well, I figure it's the weather or some really bad dad jokes!

This Saturday we can expect areas of morning frost, partly cloudy and some light winds. A low of -2 and a high of 15. Last weekend was the coldest market morning I've experienced so far. It wasn't even -7 as other mornings, but a cool -3 from memory.

EPIC will have multiple events around the park this weekend, particularly on Saturday.
The biggest change, is that once again there won't be any right turn into EPIC from Flemington Rd and the EPIC Arena is in use for an event, so it will not be used as a secondary carpark.
There will be a lot of cars.

ABC 666

As you all know we have been lucky to have the priceless support of radio ABC 666. Once a month I cross live to the station to inform Canberrans on what is fresh, seasonal and interesting at the CRFM. Please keep me updated on your produce and products.

Amendment to your offerings

Remember that if you would like to introduce another item or product to your offerings, you must submit a Produce/Product Amendment Notification Form. Do not sell anything from your stall that has not been approved by the committee.

Once you have submitted your online form, wait until you hear from me as to whether your amendment has been approved or not.

If you are unsure, please contact me to discuss. Happy to help.

Rubbish

Last weekend I stayed back to pick up rubbish and empty boxes that were filled with veggie scraps. I flattened the cardboard boxes that were in the skip and there was produce bags everywhere. I pulled cardboard boxes out of the wheelie bins too.... wasn't much fun.

May I remind you again please that as per the "Market Rules" you are required to attend to the following:

At the end of each market, stallholders are to clean up their stall site(s) and are to:

1. **Empty (and then return) the organic waste bins provided**
2. **Remove all cardboard, crates, boxes, containers, paper**

Please use the cardboard skip that is provided and make sure that the boxes are flattened before putting in the skip. Use the green waste bins that have been provided, for all your organic matter. These are stored next to the Rotary Club shipping container.

A friendly reminder that EPIC will invoice us for any removal of stallholder boxes, crates, paper etc that are left behind. CRFM will in turn forward this cost onto the owner of the boxes, crate, paper left behind.

Please don't leave anything behind!
