Manager's moment...

Good morning everyone and welcome to market day!! I hope you all had a good week?

A reminder.....If anyone has anything they would like featured on the **ABC 666** breakfast show this month (28th) please start thinking about it now and let me know today or during the week - all suggestions greatly appreciated!

Welcome back this week to **Ken & Tracey – Harrison & Sons, Allan – Clyde River Berry Farm, Jane – Goulburn Garlic, Yehiel & Dari Kaplan – Pilpel Fine Foods** and not leaving us as previously noted **Ian - Alpine Nuts** who will be with us for a few more weeks, obviously there were more nuts than he thought!!

Sadly **Mark – Stockman Sticks** has been involved in an accident which means he and Michelle will not be able to attend the market until the New Year. He is going to be fine but will be hospitalised for 4 – 5 weeks, I'll bring a card round for everyone to sign.

Imposter....It seems we had an uninvited guest attend our market last week, she entered under false pretences saying she was from the Bulli market and was just having a look around. She then proceeded to hand out leaflets in an attempt to encourage our stallholders to attend her "Foragers Market" in Glebe Park each Saturday from 9am – 2pm. Once located, I informed her that we don't allow anyone in our market to hand out leaflets and to please stop, which she did. She came and apologised to me a while later and said she thought I was scary, however, obviously not scary enough as this didn't deter her from then going to the outside area and also the carpark to continue handing out her leaflets!!!

If anyone is thinking about making the change and attending the Foragers Market she was promoting, they would be well advised to talk with Gary at Shoalhaven Mushrooms or/and Gary at Moruya Seafood before making any commitment, apparently they have had

dealings with her on previous occasions with not so good outcomes. I know some of you were not too impressed that she would come to our market and attempt to steal not only stallholders but valued customers too, so I can only apologise that she slipped under the radar and misled the compliance team to gain unlawful access. The moral of the story and my personal opinion is...

"Better the devil you know"

Speaking of devils....That's all from me, have a good one – Adrienne ☺

New Parking arrangements...

For those of you who have had to relocate your vehicles, thank you for your cooperation, there should be 2 stalls in the new area today so hopefully everything will run smoothly and with no hitches!!

Reminder...

No Friday afternoon/evening setup on **4th December** due to the Snowy Hydro Southcare Gala Ball.

For those of you who normally leave equipment secured in the shed during the week (Mick and Warrick) this will need to be removed at the end of the market on 28 November, also any banners you may have hanging up will need to be taken down. You can of course bring it all back on 5th December and continue to leave it as before; thank you for your assistance ☺

Stallholder Xmas Party...

Our annual Xmas /end of year party will be on Saturday 19 December from 12.15pm. The food will be supplied by Yiannos

Catering so it will also be a good opportunity to catch up with Elenee and Yianno as they have been absent from the market. Please advise me if you will be attending (and how many) so I can provide numbers for catering purposes. If you can all let me know by no later than Saturday 12 December please?

EFT Payment Reminder....

Thanks to all those who are diligently and regularly paying stall fees by EFT but please make sure you process your payment so that it arrives in the Rotary bank account by **COB on the Thursday prior to market day.**
