28 November 2015 - Proudly Authentic

Manager's moment...

Good morning everyone and welcome to market day!! I hope you all had a good week?

You know that Xmas is really knocking on your door when the fresh, green trees come to market, and this week we welcome back **St Nicholas Xmas Trees** who will be at their usual site in the horticulture area.

Sadly **Mark – Stockman Sticks** has been involved in an accident which means he and Michelle will not be able to attend the market until the New Year. He is going to be fine but will be hospitalised for 4 – 5 weeks, I'll bring a card round for everyone to sign – **Sorry I didn't get chance to do this last week but will try and do better today!**

We have the Barrenjoey High School Band performing today who are touring from the Northern Beaches of Sydney. They will set up in Bicentennial Park near the new outdoor area/picnic tables and will be playing for about an hour – Apparently they can play jazz/rock and several other genres so enjoy!!

I'll be heading off to the ABC 666 this week for my chat with Greg on the breakfast show and will be promoting all things Xmas including the Twilight Market; hopefully that will help to bring the crowds in....

Finally, another reminder about storage, this is the third time now and I would hate to have to administer the "three strikes and you're out" rule and become a storage Nazi so please, let's work together here, if you're first in, store at the back in a tidy/tight way to leave space for others that stack behind you. If we can't get this right the only option left is for me to change the locks and remove the storage facilities altogether ☹☹

That's all from me, have a good one – Adrienne

Final Reminder...

NO Friday afternoon/evening setup NEXT WEEK!! Please remember to remove all equipment/banners you normally leave in the shed at the end of the market **TODAY**. Items can be chained and locked to the fences outside along the side of the shed if preferable and you can then bring them back in and leave as usual after the market on 5 December. You should be able to access the site at around 3.00am on Saturday morning once it has been cleared after the event.

Free to good home...

A gas operated deep freeze in good working condition and free to anyone who can put it to good use. For more information you should contact: David Stevens Rotary Club of Jerrabomberra on: **0413 519 894**.

Stallholder Xmas Party...

Our annual Xmas /end of year party will be on Saturday 19 December from 12.15pm. The food will be supplied by Yiannos Catering so it will also be a good opportunity to catch up with Elenee and Yianno as they have been absent from the market. **Please advise me if you will be attending (and how many) so I can provide numbers for catering purposes. If you can all let me know by no later than Saturday 12 December please?**

Unable to attend?

Thanks to all those who are diligently advising when you are unable to attend the market. It is particularly important in this busy period leading up to Xmas that you let me know as soon as you are able, especially if you are inside where space is very tight so that your site can be re-allocated if necessary – Thank you in advance for your cooperation.

ACT Health...

Several stallholders have mentioned they have received a letter from the ACT Government advising that the Health department will be visiting the market and conducting random spot checks. Be prepared and on the lookout!!!
