### Manager's moment...

Good morning everyone and welcome to market day!! I hope you all had a good week?

Thanks to Nynka for covering my shift today.... Cinderella went to the ball last night and is sleeping in this morning.

Update on stallholders: **Doug – Hillview Nursery** has now retired and will not be attending the markets again. I was under the impression he would be with us until Xmas but he informed me last week was his last market. The card will come around again today for you to sign if you haven't already, together with the card for **Mark – Stockman Sticks**. Also, back with us today until Xmas is **Ziggy – Santa's Shaped Xmas Trees** – outside in the horticulture area and joining us for the first time **Wayne - Uncle Juan's Bakehouse** in the new outside area.

The Barrenjoey High School Band, touring from the Northern Beaches of Sydney were quite a hit with the crowds, they played non-stop for several hours and were jam packed with talent!! A big thank you to **Mick & Rosa – Auddino's Produce** for donating about 12 litres of orange juice together with the paper cups for when they had finished playing; they were most grateful and surprised that we provided it. They also relieved **Lindsay & Sommai – Siam Siam** of their excess product, clearly they worked up an appetite as well!!

Apparently (he kept it quiet) **Martyn – Wagonga Coffee** has just celebrated a significant birthday – Congrats on the milestone and don't let it slow you down!!

Ivonne and the team from CIT are in the house this week celebrating (and cooking) all things Xmas, thanks in advance to those who contribute.

I hope everything goes smoothly with setting up this week given that it's a later start than usual for some of you due to access restrictions.... be kind to one another!!

That's all from me, have a good one – Adrienne

### Free to good home...

A gas operated deep freeze in good working condition and free to anyone who can put it to good use. For more information you should contact: David Stevens Rotary Club of Jerrabomberra on: **0413 519 894**.

### Stallholder Xmas Party...

Our annual Xmas /end of year party will be on Saturday 19 December from 12.15pm. The food will be supplied by Yiannos Catering so it will also be a good opportunity to catch up with Elenee and Yianno as they have been absent from the market. **Please advise me if you will be attending (and how many) so I can provide numbers for catering purposes. If you can all let me know by no later than Saturday 12 December please?**

### Unable to attend?

Thanks to all those who are diligently advising when you are unable to attend the market. It is particularly important in this busy period leading up to Xmas that you let me know as soon as you are able, especially if you are inside where space is very tight so that your site can be re-allocated if necessary – Thank you in advance for your cooperation.

### ACT Health...

Several stallholders have mentioned they have received a letter from the ACT Government advising that the Health department will be visiting the market and conducting random spot checks. Be prepared and on the lookout!!!

### Corner Stall Fee Increase...

As from 16 January 2016 which is our first market back after the Xmas break, fees for ALL corner sites will increase by \$5 per week. If this means you wish to move to another area, please let me know and I'll do the best I can to accommodate your request, however please also realise this might take a while to organise.

### CRFM Signage Reminder...

Please be sure to use the **Producer** (Green Chook), **Agent** (Orange Chook) and **Organic/Biodynamic** (Maroon Chook) on applicable items so our customers know your product.
