### Manager's moment...

Good morning everyone and welcome to market day!! It was great to see **David Webster of Shingle Hill Estate** back with us last week, let's hope he keeps progressing well. Also back with us on a fortnightly basis through to Xmas is **Roslyn Kemp from Tawarri Grove Olive Oil**, her next attendance will be on 19 September on stall site No 63 if you wish to say Hi.

The students from North Sydney enjoyed their trip to the markets and sent the following:

Dear Adrienne

I would like to thank you for the performance opportunity you gave our students last Saturday. They really enjoyed playing at your markets and were encouraged by the support they were given. Performing in public is a wonderful way to develop our young musicians and we are grateful for the opportunity you gave them. The tour overall was a great success and hopefully we will be able to perform for you again in the future. Many thanks

Being the first Saturday of the month Ivonne and the team from CIT will cook some seasonally appropriate dishes – thanks in advance to those who donate produce.

Demonstrating how invaluable our spot with **ABC 666** is on the 4<sup>th</sup> Saturday of each month, I received a call from them last week to enquire where their listeners could purchase a featured item as they had been inundated with calls proving folks/shoppers do listen and take note!!

**RUBBISH**....I know I've mentioned this before but please do not stuff rubbish into a full bin so the lid won't close. This just means I have to transfer it to another otherwise the magpies come in and scatter it everywhere. We all want to get away as soon possible after the market including me, so please let's work together and if you think we need more bins let me know, we can always order extra, thanks in advance for your assistance. That's it from me, have a good one – Adrienne ☺

### Unable to attend?

Please ensure you advise me at the earliest opportunity if you are unable to attend a market. Work on the stall site layout begins on Wednesday and is finalised on Thursday. There may be other stallholders who would like to spread out given the opportunity.

### ATTENTION!! ATTENTION!!

**Christmas is coming..... Yes or NO??**

After consulting with EPIC I can now advise that we can definitely hold a **Twilight Market** however, the site is handed over to Summernats on 23 December so it would be much less complicated to have our market on Tuesday **22 December 2015 from 2.00 – 6.00pm**. Some of you have already advised me that you are interested in attending, but you now need to confirm this new date still works for you and those of you who have not responded, can you please do so; this won't happen/work without the numbers. Please let me know, preferably by email if possible, whether you are able/wish to attend. I would suggest a commitment either way by no later than Saturday 31 October.

Our last market for the year will be on 19 December 2015 and we will return on 16 January 2016 this is a 3 week break and your produce does not stop growing...
