## 07 November 2015 - *Proudly Authentic*

### Manager's moment...

Good morning everyone and welcome to market day!!

I hope you all had a good week and the rain, if you received any, was a welcome boost for your produce.

Returning to the market this week, we welcome:

**John & Marion Cole – Lindfield Park Produce**

**Dave & Kate Dickson – Borenore Berry Farm**

It's great to have you both back in the swing of things and I hope the early morning starts don't prove too hard as you ease into another season!!

Not many of you asked the answer to the riddle, does that mean you're all really clever and guessed it or that you don't read the newsletter??? Just in case you're wondering the answer was Corn (cob).

Being the first Saturday of the month we have our cooking demo this week with Ivonne and the team from CIT, thanks in advance to those who contribute, the sole purpose of these cooking demo's is to give the apprentices an opportunity to work with fresh produce and meet the grower/producer – experience and opportunity they don't have in the CIT kitchens or classrooms!

They guys from Blue Clay will be here this week doing some filming to update the TV ad and make it less winter and more spring/summer appropriate – watch out all you budding stars...

Lastly, here's a quickie; what do chickens grow on??

That's it, have a good one – Adrienne ☺

### Eggs..

It is not only one of our Market rules but also an ACT Legislative requirement that everyone selling eggs needs to be sure they are all stamped. Compliance team will be checking this week – make sure you're stamped!!!

### New outside area update...

Coming soon and commencing sometime in November we will be setting up a new outside area at the back of sites 1 & 2. **The picnic tables are already in place**, we have 2 stalls ready to start trading so if anyone else is interested in re-locating to this new area please let me know, and yes it is expected to continue through winter!!

### New Parking arrangements...

If you could please make a note that as from **Saturday 14 November**, those of you who park your trucks along the side between sites No 1 through to 16 will need to park at the rear of the shed to allow the new outside trading area to flow on from the main market. A member of the compliance team will be on site from 4.00am on the 14<sup>th</sup> to remind you in case you forget!! If you feel this will cause extreme hardship for you in some way please speak with either myself, Clive or Tony.

### Reminder...

No Friday afternoon/evening setup on **4<sup>th</sup> December** due to the Snowy Hydro Southcare fundraising event.

### Opportunities to be involved...

Next week I'll be providing, along with the normal newsletter, an information sheet as to how (should you choose to) you can be involved with the planned fundraising event for the Snowy Hydro Southcare chopper on 4 December 2015.

The event plans to showcase local produce and in particular the menu will be a "Paddock to Plate" style. I will provide a copy of the draft menu so you can see the produce required and decide if you wish to submit pricing/quotes to supply, the expectation is for around 400 guests.

There are 3 opportunities for involvement and they are:

#### Trade Stands at the event

#### Provision of produce for menu

#### Assistance with products for corporate gifts

I should also point out that **IN NO WAY** should you feel obligated to participate, it is entirely up to you as individuals, and there are certainly no expectations from the organisers. It is however, an amazing opportunity to showcase your product and should you participate, whether it be as a Trade stand or provider of Menu produce, your name and product will receive some fantastic free publicity!!
